

2009 Tentative Small Wind Conference Agenda

Sponsored by

Focus on Energy
American Wind Energy Association
Bergey Windpower
Four Winds Renewable Energy
Home Power Magazine
Seventh Generation Energy
Systems

Hosted by the Midwest
Renewable Energy Association

Tuesday June 16th

Session	Presenter
8-9 Registration and breakfast	
9:15-10:15 Welcome	Mick Sagrillo, Focus on Energy
9:15-10:15 Keynote address	Trudy Forsyth, National Renewable Energy Laboratory
10:15-10:30 BREAK	Visit with exhibitors
10:30-12:15 Manufacturers' Updates Abundant Renewable Energy Bergey Windpower Southwest Windpower Proven Energy Ltd. Endurance Wind Power	moderated by Ian Woofenden, Home Power Robert Preus Steve Wilke Andy Kruse Eric Lovely David Laino
12:15-1:15 LUNCH	Poster session in hall Dan Chiras book signing at MREA booth Visit with exhibitors
1:15-3:15 Manufacturer's Updates Kestrel Wind Turbines Eoltec Wind Energy Systems Ventera Energy Wind Turbine Industries Corp. Entegrity Wind Systems North Wind	moderated by Roy Butler, Four Winds Renewable Energy Michael Miller Logan Bryce Elliott Bayly Chad Palmer Billy O'Donnell Trevor Atkinson
3:15-3:30 BREAK	Visit with exhibitors

2009 Tentative Small Wind Conference Agenda

3:30-5:45 Manufacturer's Updates- moderated by Trudy Forsyth, NREL
New entries
Ampair David Sharman
Gaia Wind Andres Bluhm
PGE-Endurance Wind Power Marc Normandin
Raum Dan Senick
Fortis America Art Weaver
Aerostar Wind Turbines Paul Gay
E Vance Iskra Michael Miller

5:45 Wrap up Mick Sagrillo

6:00 **Evening Reception**
Oklahoma Style BBQ **Sponsored by Bergey Windpower**

Day 2 **Wednesday June 17**

	Session	Presenter
8-9	Breakfast	
9-9:15	Welcome back	Mick Sagrillo
9:15-10:30	Standards Standards: The Good, the Bad, and the Ugly Small Wind Certification Certification Council Update NABCEP Small Wind Installers Update National Electric Code for Small Wind	moderated by Jenny Heinzen, Lakeshore Technical College Mike Bergey, Bergey Windpower Larry Sherwood, IREC Rebecca Eaton, NABCEP Rob Wills & Robert Preus
10:30-10:45	BREAK	Visit with exhibitors
10:45-12:15	Reports from the field and reality checks Warwick Final Report on Rooftop Wind Performance Optimizing the Placement Of Building Integrated Wind Turbines Wind Doesn't Work! What a Wind Site Assessment Looks Like	moderated by Ian Woofenden, Home Power Dave Sherman Rick Damiani, CPP Mick Sagrillo, SP&L Lisa DeFrancisco, North Coast RE
12:15-12:30	2 nd Annual Awards Ceremony	Trudy Forsyth and Mick Sagrillo
12:30-1:30	LUNCH	Lunch comments from last year's awardees- Jenny Heinzen & Roy Butler

2009 Tentative Small Wind Conference Agenda

1:30-3:20	More reports from the field The DOE Small Wind Independent Testing Program At the NWTC Troubleshooting and Documentation Hidden Installation Costs Experiencing Installing with One Manufacturer Experience Installing "Big" Small Wind	moderated by Roy Butler Joe Smith, NREL Joe DeFrancisco, North Coast RE Katie Ross, Seventh Generation Energy Systems Ernie Pritchard, Sustainable Development Kevin Schulte, Sustainable Energy Development
3:20-3:35	BREAK	Visit with exhibitors
3:35-5:05	Making projects succeed Wind grants 101 Strategies for Partnering With Solar How to Market Small Wind Reality Check- What it Really Takes to Become a Small Wind Installer	moderated by Brent Summerville, Small Wind Certification Council Kellye Rose, Rose Consulting Service Heather R-W, eFormative Options Andy Kruse, Southwest Windpower Roy Butler, Four Winds RE
5:05-5:55	Summaries The Future of Small Wind- A Panel of Stakeholders Closing remarks Thanks, see you next Year and evaluations	moderated by Trudy Forsythe, NREL Keynote- Trudy Forsythe summarizes Mick Sagrillo
6:00	Reception at Rudy's Red Eye Grill	Sponsored by AWEA
