

Midwest Renewable Energy Association

Move Some Earth Day

Saturday, April 26

ReNew the Earth Institute

Custer, Wisconsin

We need your help! Move Some Earth Day brings together volunteers to help improve our demonstration site, so we can better promote and educate others about renewable energy and sustainable living.

Work to be Done

We have a variety of projects and need a variety of skills. Bring tools such as rakes, shovels, chainsaws etc. *All volunteers should bring gloves.* We need help in the following areas:

- Clearing brush from “Back 40 Campground”
- Painting rooms in ReNew the Earth Institute
- Cleaning the ReNew the Earth facility
- Landscaping and mowing
- Preparing the pond for spring
- Cleaning shower trailer at campground
- Turning compost & Many other projects!

Schedule

9:00 am Coffee and Check-in
9:30 am Projects Begin
12 noon Lunch
1:00 pm Group Photo
5:30 pm Dinner & Refreshments
Open Mic & Bonfire

We will provide coffee and light items to get you going Saturday morning, lunch to keep you going, and a big dinner with refreshments to celebrate!

Logistics
